HII MISSION TECHNOLOGIES CORP.,

Interpleader Plaintiff,

v.

Civil Action No.: 3:25-cv-483

CYBERLUX CORPORATION, *et al.*,

Interpleader Defendants/Claimants.

DECLARATION OF T. GREGORY JACKSON

I, T. Gregory Jackson, pursuant to 28 U.S. Code § 1746, declare as follows:

1. I am over 21 years of age and otherwise competent to make this declaration. I have personal knowledge of the statements contained herein. The statements herein are true and correct to the best of my knowledge, information, and belief.

2. I am a partner with the law firm of Arcadi Jackson, LLP (“Arcadi Jackson”). Since 1998 I have been a member in good standing of the State Bar of Texas (TSB # 24004718) and have been practicing law in Texas since that time.

3. Arcadi Jackson was retained in May 2025 to represent HII Mission Technologies Corp. (“HII”) in connection with the appointment of a receiver for Cyberlux Corporation (the “Receivership Matter”). I was the lead attorney for HII in Texas pertaining to the Receivership Matter and have supervised or performed the services rendered in the matter. I am the most familiar with the work that was performed by the attorneys and paralegal at Arcadi Jackson on the Receivership Matter. I am also the most familiar with the amounts charged to HII by Arcadi Jackson for the Receivership Matter.

4. True and correct copies of the monthly invoices and an unbilled time report related to Arcadi Jackson's representation of HII in the Receivership Matter from May 29, 2025 through January 23, 2026 are attached hereto as Exhibit 1 (collectively, the "Invoices").

5. Arcadi Jackson's practice is to electronically record time records, recording time spent on any given matter to the tenth of the hour (.1). Exhibit 1 reflects those time records for work on the Receivership Matter.

6. The Arcadi Jackson attorneys and paralegal listed on the Invoices worked on the Receivership Matter for the hours listed on each invoice included in Exhibit 1.

7. The record of time entries reflected in the Invoices was made at or near the time the work was performed by the Arcadi Jackson attorneys and paralegal.

8. The record of time entries reflected in the Invoices was created and kept by Arcadi Jackson in its regular practice and ordinary course of business. Making and keeping the record of time entries reflected in the Invoices was and is a regular practice of Arcadi Jackson.

9. Mr. Jackson, a partner with over 27 years' experience, billed his time at a rate of \$825 per hour in 2025 and \$885 per hour in 2026. These were discounted rates.

10. Ms. Summerfield, a partner with over 20 years' experience, billed her time at a rate of \$715 per hour in 2025 and \$735 per hour in 2026.

11. Lilia Garcia, a paralegal with over 20 years of experience, billed her time at a rate of \$275 per hour in 2025 and 2026.

12. I am qualified by education, experience, and training to perform or supervise the services on the Receivership Matter. I have practiced commercial litigation most of my career. Although my practice spans state and federal courts across the country, I have practiced primarily in Texas. As such, I am familiar with the attorneys' fees customarily charged in Texas (including

in Dallas and Houston) by attorneys handling state and federal lawsuits and matters of similar complexity. The rates charged by Arcadi Jackson in the Receivership Matter are reasonable.

13. Multiple proceedings related to Cyberlux's liabilities to its creditors have required HII's time, attention and involvement. Some of those proceedings included cases in Texas. Arcadi Jackson was retained to represent HII and provide counsel as to the Texas proceedings for the Receivership Matter, as well as advise HII on the ramifications of the receiver's actions on litigation in Virginia involving HII, Cyberlux, and others.

14. Robert Berleth, an interpleader defendant in the instant matter ("Berleth"), was appointed as a receiver in the case of *Atlantic Wave Holdings, LLC and Secure Community, LLC v. Cyberlux Corporation and Mark Schmidt*, Cause No. 2024-48085, 129th Judicial District Court of Harris County, Texas (the "*Atlantic Wave* case").

15. The *Atlantic Wave* case was filed by Atlantic Wave in Harris County, Texas on July 30, 2024 as a petition to enforce a foreign judgment that Atlantic Wave had been granted against Cyberlux on June 23, 2023 in a case in the Circuit Court of the City of Richmond.

16. On May 22, 2025 in the *Atlantic Wave* case, the Harris County trial court entered an order appointing Berleth as a receiver (the "Order Appointing Receiver") for the purpose of assisting in collecting the *Atlantic Wave* judgment.

17. Cyberlux objected to the Order Appointing Receiver on multiple bases and filed both a petition for a writ of mandamus (01-25-00455-CV) and an appeal (01-25-00454-CV) with the Texas First Court of Appeals, seeking, among other things, to have the Order Appointing Receiver vacated (collectively, "the Appeals").

18. Cyberlux's appeal is currently abated, but Cyberlux has filed a motion to have it reinstated. The Texas First Court of Appeals denied Cyberlux's petition for writ of mandamus.

19. Separately, Tucker et al., other creditors of Cyberlux, filed an action in Harris County, Texas seeking a temporary restraining order and appointment of receiver requesting the court extend the receivership of Berleth to assist with collection of amounts they asserted Cyberlux owed them pursuant to a purchase and sale agreement. The case was removed to the United States District Court for the Southern District of Texas at *Tucker v. Cyberlux*, No. 4:25-cv-02770 (the “*Tucker* case”). Thereafter, the *Tucker* case was transferred to the United States District Court for the Middle District of North Carolina.

20. Berleth made numerous filings in the *Atlantic Wave* case, the Appeals and the *Tucker* case seeking to expand his authority beyond collection of the Atlantic Wave judgment and to supplement the Order Appointing Receiver to effectively provide for a general receivership over Cyberlux. Since being appointed as receiver in May 2025, Berleth has repeatedly sought to gain control of the funds that are the subject of this interpleader case.

21. All these Texas proceedings required Arcadi Jackson to analyze and advise HII as to HII’s interests, rights and obligations with respect to the funds in light of the activities of Cyberlux, Cyberlux’s creditors, and Berleth. Arcadi Jackson’s services performed in connection with the Receivership Matter included, among other things: 1) reviewing, monitoring and analyzing extensive filings in the *Atlantic Wave* case and the Appeals; 2) reviewing, monitoring and analyzing filings in the *Tucker* case while it was pending in Texas; 3) analyzing how developments and potential outcomes in the *Atlantic Wave* case, the Appeals and the *Tucker* case while pending in Texas could impact HII’s rights and obligations with respect to the funds at issue in this interpleader case; 4) advising on the receivership process under Texas law; 5) corresponding with Cyberlux and its creditors; and 6) monitoring Berleth’s actions and corresponding with him as it pertained to the funds at issue in this case.

22. Arcadi Jackson’s fees incurred from May 29, 2025 through January 23, 2026 for the Receivership Matter as reflected in the Invoices totaled \$204,442.40 as follows:

Arcadi Jackson fees by month worked	Receivership Matter
May 2025	\$11,473.00
June 2025	\$84,623.00
July 2025	\$39,677.00 ¹
August 2025	\$10,461.00
September 2025	\$11,330.00
October 2025	\$5328.40

December 2025	\$12,155.00
January 2026	\$24,390.00 ²
Total	\$204,442.40

23. All the fees listed in the Invoices were actually and reasonably incurred during Arcadi Jackson’s representation of HII and its work on the Receivership Matter.

I declare under penalty of perjury that the foregoing is true and correct.

 T. Gregory Jackson

Dated: February 3, 2026

¹ HII is not seeking reimbursement for \$8,833.00 in fees on the August 8, 2025 invoice. This amount is comprised of 7.5 hours for Mr. Jackson [\$6,187.50] and 3.7 hours for Ms. Summerfield [\$2,645.50]. See Exhibit 1, August 8, 2025 invoice at pages 4-7.

² This amount reflects unbilled time on this matter from January 1, 2026 through January 23, 2026, minus \$1,416 in fees comprising 1.6 hours of Mr. Jackson’s time for which HII is not seeking reimbursement (see Exhibit 1, Activities Export at pages 3-4), that will be billed to HII in February 2026 in the normal course of Arcadi Jackson’s monthly billing practices.
