Subject: Re: Bill's exit path

Brother, I've been trying find words to express my remorse over this situation and have failed to find any that are adequate. I can say my relationship with you, both our professional and our friendship, is one of the most important ones I've had in my life, period. What we've done and the times we've had will be the highlights I will always remember, no matter what. I truly hope we can find a path forward that works for you.

The impact on customers and our reps is unacceptable - I have been dying inside over this and its impact across the company should have never happened. Between HII and Legalist, we have been pushed into this corner and have to fight our way out, fighting all our enemies.

I don't want to leave anything to chance if we can find a path forward. Anything is on the table, other than Denis back coming in:

- Retention bonus (\$1M over next four quarters)
- Base salary increase to \$250K with revised commission structure, TBD
- Notes and commissions paid out of HII money asap
- Position of President if you want that now
- Board of Directors? You should likely wait until we have D&O insurance soon then join
- Co-share all decision-making between you, me and Chris plus Loren on cash
- Ultimately we'll bring in a new CEO and I'll move to Chairman as soon as we can execute a strategic plan like the one I've attached from Roman V - where we uplist to NASDAQ for example, including changing the Cyberlux name. Roman also has Trump ties and we will get significant Trump-universe board membership.

We are talking to good capital partners now and you need to understand the environment and future. Loren is ready to discuss at any point. I have attached the cash flow worksheet from Loren that gives you the operating detail. Loren is available for discussion whenever you have time.

I know you have a dire outlook and I understand. I'm not sure who is advising you, but we are making meaningful progress, and anyone on our team is available to discuss specifics. Attached is the Stay on the receiver and a Cease and Desist that effectively ends him. This was done over the last 2 days and clears up the matter significantly, with only what the receiver will be paid per the upcoming court decision. We were never in 'receivership' as I said, and now this receiver is boxed up. I have the lead attorney, Jeff Brown, standing by to speak with you about the whole situation so you have the full picture.

All this is unacceptable I know. We've not been paid by HII per the contract modification, Legalist has reneged on the new loan agreement, and lawyers have made mistakes, all that led to where we are. All I know to do is fight our enemies every day like I am, to resolve the critical matters as fast as possible. You should never have to address this kind of situation with customers and reps. I will work a plan with you for the reps where we make the commission payments and pay bonuses where you decide, for the missed shipments and customer delivery issues. I will do whatever is necessary to correct these issues.

Lastly, Series B and Denis. I've attached two ways this can go, where Denis keeps 20M, and you get 30M shares from the combination of me, Treasury, and Denis; or Denis keeps 10M and you get 20M from Denis and 10M from me. Either way we have control of >75% and can then restructure as we want. This gives us basically equal footing as we execute an uplisting. Check out the NASDAQ section of the spreadsheet. We'll likely have to give up more than this to the capital raising partner but it still nets a big number. I need your help to negotiate with Denis on the rest of his override BS, whatever makes sense to you. And he drops all his lawsuits for all time.

There is a lot here and I am open to anything and available to discuss at any point.

I love ya Brother - Mark

Patrick,

I would like to schedule a day to discuss my negotiated exit out of Cyberlux. I'm seeking your assistance in providing me feedback from the CEO of Cyberlux on the following attachments:

1. Commission on the sales that bought
2. Employment agreement that was signed when I first accepted the position
3. Past due amounts for my salary
4. Convertible notes that are due and common stocks
5. Discussion with corporate attorney concerning my Series B stocks and the path of the sales of those stocks
6. Training for the folks that you need to hire to replace me

Please schedule a meeting for me to discuss this if possible. I'll wait to hear back from the team.

8 2. Plaintiff is informed and believes and thereon alleges that defendant Datron
9 World Communications, Inc. is a California corporation with its principal place of

Unless earlier terminated as provided herein, Executive’s initial employment term will be for a period of two (2) years (the “**Initial Term**”); and thereafter the Agreement shall be deemed to be automatically extended, upon the same terms and conditions, for successive periods of one year, unless either party provides written notice of its intention not to extend the term at least 30 days prior to any anniversary of the Effective Date falling on or after the second anniversary of the Effective Date. At times, business conditions may require sales regions to be restructured or new sales regions to be created. The Sales Director relinquishing territory must identify prospects in writing to the CEO prior to the change of territory. After the effective date of the restructuring, commissions will be split between the respective Sales Directors as follows:

Booking of Order	Previous Sales Director % of Net Commission	New Sales Director % of Net Commission
1 - 30 Days	100%	0%
31 - 90 Days	75%	25%
91 - 180 Days	50%	50%
180+ Days	0%	100%

For any order booked within 90 days of the date of restructuring, but not previously identified by the Sales Director relinquishing territory, a 50% commission split will be earned. New orders previously unidentified and booked after 90 days of the date of restructuring will be earned by the new Sales Director 100%.

This Employment Agreement (the “**Agreement**”) is made and entered into as of October 8, 2023, by and between Bilal Maadarani (the “**Executive**”) resident at [REDACTED], and Datron World Communications, Inc., a corporation organized under the laws of the State of California, with an address at 995 Joshua Way, Suite A, Vista, California 92081 (the “**Company**”, and together with affiliates of the Company, the “**Company Group**”).

WHEREAS, the Executive has been an employee of the Company and the Company desires to continue to employ the Executive on the terms and conditions set forth herein; and

WHEREAS, the Executive desires to be employed by the Company and provide services to the Company Group on such terms and conditions;

NOW, THEREFORE, in consideration of the mutual covenants, promises, and obligations set forth herein, the parties agree as follows:

1. Term. Subject to Section 5 of this Agreement, the Executive’s initial term of employment hereunder shall be from the period beginning on October 8, 2023 (the “**Effective Date**”); provided that for all purposes where tenure with the Company is considered, the Executive shall be deemed to have been in the continuous employ of the Company since August 18, 2008. Unless earlier terminated as provided herein, Executive’s initial employment term will be for a period of two (2) years (the “**Initial Term**”); and thereafter the Agreement shall be deemed to be automatically extended, upon the same terms and conditions, for successive periods of one year, unless either party provides written notice of its intention not to extend the term at least 30 days prior to any anniversary of the Effective Date falling on or after the second anniversary of the Effective Date. The period during which the Executive is employed by the Company hereunder is hereinafter referred to as the “**Employment Term**.”

2. Position and Duties.

2.1 Position. During the Employment Term, the Executive shall serve as the Chief Revenue Officer of the Company Group, reporting to the Chief Executive Officer (the “**CEO**”) of the Company’s parent company, Cyberlux Corporation, a corporation organized under the laws of the State of Nevada, with an address at 800 Park Offices Drive, Suite 3209, Research Triangle Park, NC 27709 (“**Cyberlux**”). In such position, the Executive shall have such duties, authority, and responsibilities at the Company Group as are established from time to time by the CEO, consistent with the Executive’s position.

2.2 Duties. During the Employment Term, the Executive shall devote all of the Executive’s business time and attention to the performance of the Executive’s duties hereunder and will not engage in any other business, profession, or occupation for compensation or otherwise, without the prior written consent of the CEO.

3. Place of Performance. The principal place of Executive’s employment shall be in the Company’s headquarters currently located at the address set forth above in Vista, California. The Executive may work remotely from the Executive’s residence in the United States; provided that

If permitting the Executive to work from such location would require business license registration of the Company, or tax reporting by the Company, the Executive shall be responsible for additional costs associated therewith. Subject to any health or safety concerns related to the COVID-19 pandemic or other similar extraordinary circumstances, unless mutually agreed between the Executive and the CEO, the Executive shall be required to spend on average two days per week in the office, when not travelling for the benefit of the Company Group. The Executive may be required to travel extensively on Company Group business during the Employment Term. In addition, "House Accounts" and unfunded orders shall not be eligible for commission. Any exceptions to the limitations set forth in the immediately preceding three sentences shall be in the sole discretion of applicable member of the Company Group and shall require the approval the CEO, and the acknowledgement of the Executive.

(c) The Company Group reserves the right to designate specific accounts or sales opportunities as "Strategic Accounts" or "House Accounts". (a) The Executive shall be eligible to receive an annual bonus (the “**Annual Bonus**”). However, the decision to provide any Annual Bonus and the amount and terms of any Annual Bonus shall be in the sole and absolute discretion of the CEO, in consultation with the Company and other members of the Company Group (collectively, the “**Compensation Committee**”). FMS - regional	1.00%
Bookings by Other Sales Director(s)	0.50%

Advances on Commission Earned

There will be no advances on earned commissions. The payment schedule for commissions is set forth in the Agreement to which this schedule is an exhibit.

New orders previously unidentified and booked after 90 days of the date of restructuring will be earned by the new Sales Director 100%.

Subject: Re: Bill's exit path

Brother, I've been trying find words to express my remorse over this situation and have failed to find any that are adequate. I can say my relationship with you, both our professional and our friendship, is one of the most important ones I've had in my life, period. What we've done and the times we've had will be the highlights I will always remember, no matter what. I truly hope we can find a path forward that works for you.

The impact on customers and our reps is unacceptable - I have been dying inside over this and its impact across the company should have never happened. Between Hll and Legalist, we have been pushed into this corner and have to fight our way out, fighting all our enemies.

I don't want to leave anything to chance if we can find a path forward. Anything is on the table, other than Denis back coming in:

- Retention bonus (\$1M over next four quarters)
- Base salary increase to \$250K with revised commission structure, TBD
- Notes and commissions paid out of Hll money asap
- Position of President if you want that now
- Board of Directors? You should likely wait until we have D&O insurance soon then join
- Co-share all decision-making between you, me and Chris plus Loren on cash
- Ultimately we'll bring in a new CEO and I'll move to Chairman as soon as we can execute a strategic plan like the one I've attached from Roman V - where we uplist to NASDAQ for example, including changing the Cyberlux name. Roman also has Trump ties and we will get significant Trump-universe board membership.

We are talking to good capital partners now and you need to understand the environment and future. Loren is ready to discuss at any point. I have attached the cash flow worksheet from Loren that gives you the operating detail. Loren is available for discussion whenever you have time.

I know you have a dire outlook and I understand. I'm not sure who is advising you, but we are making meaningful progress, and anyone on our team is available to discuss specifics. Attached is the Stay on the receiver and a Cease and Desist that effectively ends him. This was done over the last 2 days and clears up the matter significantly, with only what the receiver will be paid per the upcoming court decision. We were never in 'receivership' as I said, and now this receiver is boxed up. I have the lead attorney, Jeff Brown, standing by to speak with you about the whole situation so you have the full picture.

All this is unacceptable I know. We've not been paid by Hll per the contract modification, Legalist has reneged on the new loan agreement, and lawyers have made mistakes, all that led to where we are. All I know to do is fight our enemies every day like I am, to resolve the critical matters as fast as possible. You should never have to address this kind of situation with customers and reps. I will work a plan with you for the reps where we make the commission payments and pay bonuses where you decide, for the missed shipments and customer delivery issues. I will do whatever is necessary to correct these issues.

Case 3:25-cv-00483-JAG Document 163-1 Filed 04/09/26 Page 66 of 69 PageID# 2169
Lastly, Series B and Denis. I've attached two ways this can go, where Denis keeps 20M, and you get 30M shares from the combination of me, Treasury, and Denis; or Denis keeps 10M and you get 20M from Denis and 10M from me. Either way we have control of >75% and can then restructure as we want. This gives us basically equal footing as we execute an uplisting. Check out the NASDAQ section of the spreadsheet. We'll likely have to give up more than this to the capital raising partner but it still nets a big number. I need your help to negotiate with Denis on the rest of his override BS, whatever makes sense to you. And he drops all his lawsuits for all time.

There is a lot here and I am open to anything and available to discuss at any point.

I love ya Brother - Mark

Patrick,

I would like to schedule a day to discuss my negotiated exit out of Cyberlux. I'm seeking your assistance in providing me feedback from the CEO of Cyberlux on the following attachments:

1. Commission on the sales that bought
2. Employment agreement that was signed when I first accepted the position
3. Past due amounts for my salary
4. Convertible notes that are due and common stocks
5. Discussion with corporate attorney concerning my Series B stocks and the path of the sales of those stocks
6. Training for the folks that you need to hire to replace me

Please schedule a meeting for me to discuss this if possible. I'll wait to hear back from the team.
